31 July 2019**

Presented by
Dr Monica Campi

www.nopta.gov.au

Key Documents

- [Offshore Petroleum and Greenhouse Gas Storage Act 2006](#)
- [2019 Gazettal Notice](#)
- [Offshore Petroleum Exploration Guideline: Work-bid](#)
(new - for applications submitted on or after 1 July 2019)
- [Application Form - Work-bid petroleum exploration permit](#) (new)
- [2019 Offshore Petroleum Exploration Acreage Release Website](#)

Bid pack must include:

- Correctly signed application form
- Proof of payment of fee
- Proposal for a work program including expenditure for each activity
- Technical qualifications
- Technical advice available
- Financial resources available

Requests for clarification

Work program – be clear about your commitment, separate activity costs

- Seismic data – amount in the release area, whether acquiring or licensing, and the type of processing or reprocessing
- Studies – what are they?

Financial

- Recent financial statements
- Details of Parent Company Guarantees
